❖ Metuchen High School Jazz Ensemble

The Metuchen High School Jazz Ensemble is under the direction of John Messenger. This award-winning ensemble represents the very best of our student musicianship, combining dedication, creativity, and a true passion for jazz. They will be performing Let It Snow! Let It Snow! Let It Snow! arranged by the legendary jazz composer and bandleader Gordon Goodwin, who passed away earlier this month. Goodwin's writing has shaped modern big band music for decades, and his work continues to inspire young musicians around the world. This arrangement brings his signature energy, swing, and wit to a holiday classic — giving our students an opportunity to honor his legacy through performance.

13. Recommendations of the Superintendent of Schools

(at this time the Board will take formal action on the following items – see attachments)

Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate board committee. The members of the board committee work with administration and the Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then, is it placed on the agenda for action at a public meeting.
